

Total Assurance Program

Equipment, service and support with the flexibility you need

Total Assurance During Every Stage of the Process

Nilfisk's Total Assurance Program (TAP) provides you with the equipment you need and the professional service and support you value, at one low, fixed monthly fee, allowing you to do what you do best - run your business.

Equipment

As one of the world's leading suppliers of professional cleaning equipment, Nilfisk offers an extensive product portfolio of high quality and reliable products to meet any cleaning challenge.

Features:

- Industry's most comprehensive portfolio of professional cleaning equipment
- Brand new equipment, ensuring benefit from the latest technology and solutions
- Industry leading technologies that provide superior cleaning results

Service

Nilfisk Service technicians are continuously trained – and devoted – to maintain and repair machines, and are always ready to help you.

Features:

- Reduce downtime
- Fixed service cost (cost incorporated into monthly fee)
- Regular and consistent worry free service
- Factory trained technicians and original OEM parts for the quality you expect
- Preventative maintenance to increase equipment uptime and productivity
- One service number regardless of product

Support

Nilfisk supports your initiatives to keep your facility and employees safe, and that sometimes means adjusting due to unexpected circumstances. We understand and want to help!

Features:

- Flexibility to exit the program after 12 or 24 months, should your workload dramatically change unexpectedly
- Free up your capital and improve your cash flow
- Analysis and detailed insights for informed decision making
